

5-YEAR MEN
The year 1961 will go down in the personal history books of two members of the Los Angeles Angels. They are first baseman Steve Bilko and relief ace Art Fowler. Both became five-year men in the major leagues in '61—Bilko on July 4 and Fowler on Aug. 10.

Recreation Director for Torrance Will Attend Southwest Conference

Panelists at the 14th Annual California and Pacific Southwest Recreation Conference will include Marilyn Jensen, assistant director of recreation for the City of Torrance.

To be held today through Feb. 14 at the Hotel Claremont in Berkeley, California, the annual meeting will bring together 2,000 park and recreation workers from California, Arizona, Hawaii, Nevada, and Utah.

COMMON GROUND
John Collier, western representative of the National Recreation Association and conference coordinator, said the meeting is designed to provide a common meeting ground for representatives of organized agencies having in their interests, responsibilities, and resources for recreation and parks.

Collier said he hopes the conference also will dramatize the critical need for comprehensive planning now for the wise use of America's natural resources and another potentially powerful resource, the expanding leisure time of the nation's people.

"It is now—and, perhaps, never again—that Americans can still make a choice for beauty in their cities and countryside and for a philosophy of truly creative leisure," Collier declared.

Marilyn Jensen will participate in a panel dealing with recreation services.

GOALS

Sixty-two panels, concerned with the general and specific goals of the park and recreation services are scheduled for the conference. Major addresses of the meet will be given by Roy Sorenson, general secretary of the San Francisco YMCA, and California Governor Edmund G. Brown. Two of the nation's top leaders of the recreation and park movement, Joseph Prendergast, executive director, national recreation association, New York City, and Alfred B. LaGasse, executive secretary, American Institute of Park Executives, Wheeling, West Virginia, will participate in the conference program.

SPONSORS

Sponsors of the conference, the first joint annual

meeting of park and recreation workers, are the California Association of Park and Recreation Administrators; California Park and Recreation Society; California State Division of Recreation, Department of Parks and Recreation, and National Recreation Association.

Hosting the conference are the Oakland Recreation Department, Oakland Park Department, and Berkeley Recreation and Parks Department.

Better Drainage Provided by Road Project in Lomita

A \$3,100 allocation by the Board of Supervisors this week means that the Los Angeles County Road Department can now schedule roadway improvements on Hendricks Ave. at 254th St., Supervisor Burton W. Chace disclosed.

"The funds," he said, "were made available for the purpose of reconstructing the pavement at this location, to join curb and gutter previously constructed by adjacent property owners, and for the construction of a cross-flow gutter at the Hendricks Ave. and 254th St. intersection."

The supervisor said this project is typical of work done by the County Road Department in cooperation with local property owners who construct curb and gutter under county permit.

He noted that the com-

Allocate Gas Tax Money for RH Road Projects

Allocation of \$7,322.89 in gas tax monies to the city of Rolling Hills Estates for the repair, resurfacing and striping of about five miles of major streets was approved this week.

Funds will be used to improve the following segments of city streets:

Palos Verdes Drive North between Dapplegray Lane and the north city boundary.

Narbonne Ave. from Palos Verdes Drive North to the north city boundary.

Silver Spur Road between Palos Verdes Drive North and Willow Wood Road, Crenshaw Blvd. from Palos Verdes Drive North to 600 ft. northerly, Hawthorne Blvd. between Palos Verdes Drive North and the south city boundary.

This allocation is a portion of the funds currently budgeted by the Board of Supervisors to assist the 73 cities in the County of Los Angeles in the maintenance and construction of their streets which are of general county interest. This fund is replenished annually in proportion to the amount of gas tax the county receives and is apportioned among the cities according to population and master plan mileage.

WARSHIPS FIRST

Pacific Mine Force minesweepers Leader and Excel were the first U.S. warships to visit Phnom Penh, the capital of Cambodia. The visit occurred in August 1961.

pleted project will contribute to drainage efficiency.

Explains Amazing Rise in Contact Lens Use

According to press reports, new-type contact lenses are taking the country by storm. Dr. J. M. Soss, optometrist at 1268 Sartori for 32 years, points out that this phenomenal surge in popularity is due to the fact that the public is realizing that the perfected plastic contact lenses are a safe, economical method of correcting the vision of people in all walks of life. Because of their tiny size and almost

weightless construction, modern "contacts" can be worn comfortably for as long as 16 hours at a stretch. Dr. Soss states that those who call at his 1268 Sartori Ave. office can find out, without obligation, how easy it is to wear contact lenses. No appointment is necessary, and Dr. Soss' offices are open Friday evenings and all day Saturdays. Convenient terms. Phone FA 8-6602. Soss offices are maintained also in Wilmington.
